- As for modular components, the side with no arms in dust cover will be subject to a price increase starting from 10% if chosen in another covering. This percentage must be agreed each time with the factory.

- (*) With the reservation of carrying for production purposes and without advanced notices modifications on the materials, coverings and dimensions of the product as indicated in the relevant specification. The given dimensions and volume are of indicative value being subject to the production process tolerances.

- As for components having combinations of coverings, when a combination of fabric and leather from different grades is featured, the price reflects the highest grade.
